**ORDER:**

The Municipal Administration & Urban Development Department have stated that in the G.O.1<sup>st</sup> read above, Government have sanctioned 92 posts at various categories purely on deputation basis and permitted to outsourcing 900 services through an agency by following guidelines on outsourcing in a phased manner as per requirement w.e.f 1.4.2008 towards strengthening the State Level and District Level for implementation of IKP – Urban (MEPMA).

**2.** The MEPMA will comprise of five wings names Livelihood and SHGs, Social Development Governance, Projects and Finance and Administration and there will be about 19 functional specialists under these wings and all these positions are proposed to be outsourced from open market. However, procuring senior specialists from open market would be a time – taking process owing to the dearth of professionals, especially in the social development sector and further stated that there are certain existing functionaries under APUSP who have specialization and expertise by virtue of their past experience and would be useful for MEPMA as functional specialists. This would also result in economy also as the regular functionaries would work on their own pay, which would in normal circumstances be lesser than those of private professionals. Accordingly, proposed for creation of 5 posts of Senior Specialists on to fill up deputation basis on their own pay, by deleting the same permitted earlier on outsourcing basis vide reference 1<sup>st</sup> read above.

**3.** After careful examination of the proposal, Government hereby accord sanction of five (5) posts of Senior Specialists purely temporary basis towards strengthening the State Level and to fill up these posts on deputation basis on their own pay for implementation of IKP – Urban (MEPMA) by deleting the same permitted earlier on outsourcing basis vide reference 1<sup>st</sup> read above.

**4.** The Municipal Administration & Urban Development Department shall take further necessary action accordingly.
